

MODE OF STUDY IN ENGLISH, SPANISH, PORTUGUESE

Registrations are now open for the **2024-2025** enrollment at The **Atharva Global Academy of Ayurveda**.

We are thrilled to invite applications for our comprehensive Ayurveda certification courses, including Ayurveda Basic Principles, Marma Therapy, Beauty Therapy, and Ayurveda Oncology.

Our program is meticulously crafted to provide students with deep understanding and hands-on skills in the field of Ayurveda.

The esteemed faculty at our Ayurveda college comprises world-class lecturers, and our curriculum is Listed under level – 1 Rastriya Ayurveda Vidyapeeth, **Ministry of Ayush- GOVT. OF India**.

The program will be conducted entirely online, with interactive learning through live stream sessions led by award-winning MD doctors and Ayurveda institute teachers.

We are committed to offering a supportive and immersive learning environment that encourages students from diverse backgrounds to thrive.

Scheduled to commence in **September 2024**. Due to high demand for the program, we highly encourage interested individuals to secure their spot for the **2024/25** intake as soon as possible, as seats are limited.
